To the churches and the saints who support this ministry,

In the past five years, there has been a rapid consolidation of the printing industry throughout the world and particularly in the United States. This has resulted in longer and longer printing and shipping times for our printed publications. More recently, this situation has been compounded by the supply-chain disruptions caused by the pandemic. A print job that once took three weeks can now take as much as ten weeks. Therefore, Living Stream Ministry must adjust its publication schedule in order to provide our printed ministry materials in a consistent and dependable manner. In addition to the ongoing shipment of a *Ministry Digest* volume and a new DMS book **every** month, we will ship *The Holy Word for Morning Revival* and its corresponding *The Ministry of the Word* according to the following schedule:
